He described the new show for this school year to all attendees.

He reminded parents to fill out physical reports for their students as it is a requirement to participate in Marching band.

He spoke about the band activities and the necessity to plan for doctor appointments around practice dates and times including choreography clinics so the student does not miss out on valuable practice times.

He informed the attendees about the CHS band website, the band app and the UDB app.

The band directors are available to support students for issues regarding classes, schedule changes and acclimating to the band/color guard practices.

He requested parents to sign up to volunteer, there are multiple opportunities for parents to volunteer. Sign up opportunities are posted in the Band app and website.
